Two Fulton County Sheriff's Office employees were recently recognized for their outstanding service. Rick Kline, has been chosen by his peers as the 2017 Dispatcher of the Year. Kline started full-time in the office in 2008 and was recognized for his calm nature, his readiness to answer questions, his drive to go above and beyond the call of duty, and his modesty making him worthy of this honor.

Deputy Justin Galbraith and Fazzo were chosen as this year's Deputy of the Year Duo. Their peers noted that since becoming a K-9 unit, Deputy Galbraith has shown his dedication through multiple drug related investigations and traffic stops, confiscating numerous amounts of drugs and paraphernalia. Galbraith's dedication to Fulton County has been seen multiple times throughout the year, as the team doesn't hesitate to come in on their days off to work and track individuals. They also work well with other departments and agencies, and are always willing to give a helping hand (or paw) when needed. They enjoy giving presentations to the community and children of all ages.

Fayette Eight Grade Class Tours Fulton County Government

The Eight Grade Government Class toured several offices of Fulton County Government recently. The students had the opportunity to spend time in the Records Office, Commissioners Session, Probate & Juvenile Court, Common Pleas Court, Western District Court, 911 Dispatch Center, Sheriff's Office, K-9/MAN Unit, Board of Elections, Geographical Information Systems, Information Technology, Microfilm Center, Auditor's Office and the Treasurer's Office. Although K-9 Officer Maggie stole the show, the students observed court hearings, participated in a mock vote, toured the 911 center, sat in on a live Commissioners Session, viewed historical documents in the Recorder's Office, and so much more!
