Findlay (Celia's Team ONLY)

Hello Athletes, Parents, Staff, and Family Members!

August is a VERY busy month. Please be advised that there will be three sports going on at once. Keep track of your days and times of where you need to be, and when! As always, be on the lookout for any cancellations via Facebook, email, or the county text alerts. -Thank you!

Have you heard?

Parade season was a hit, and we had many athletes come out to be involved in the community! The Delta Chicken Festival parade was awesome, with our colorful whimsical float! Athletes (and coaches!) enjoyed dressing up as Dr. Seuss characters. "A person is a person, no matter how small!"

Two weekends ago, athletes attended the Wauseon Homecoming Parade as well! They enjoyed throwing candy to their friends and families. Thank you

to both the Delta Chicken Festival Parade, and the Wauseon Homecoming Parade for including us in these awesome events. In addition, thank you to Spangler Candy Company for donating some yummy suckers to be thrown in the parades, and finally thank you to Nick Wilson for providing his truck and

trailer to make it more convenient and comfortable for our athletes to ride inside of walk! Can't wait for next year!

More Important News

Happy Birthday!

Our August schedule is so full, but I want to wish these athletes a Happy Birthday for the month of August: Austin Blanchard, Ben Clausen, Brad Damman, Dillon Hayward, Ana Holz, Eric Kahrs, and Chris Ruth!

What's next?

Golf and Softball are just getting started for the summer! The area golf tournament was this past weekend, see below for how the teams did!

Celia's team will be competing in the West Section Softball tournament August 26th in Findlay. Their first game is at noon that Saturday. If they win, they are in the finals and have a chance at making it to states!

Right around the corner is fall, which means bowling and soccer! Be on the lookout for sign-ups coming in the mail very soon!

Some exciting news! The pep squad has been entered in to a competition at Holgate High School on Saturday August 19th! Come support your jaguars as they show our Fulton County pride! Competition begins at 4:00pm. I also heard there will be a special revealing of a new jaguar friend... ;)

Mark Your Calendars!

We have a date set! Make your calendars for the 2nd annual Special Olympics Fundraiser at the Delta Eagles! It will be held Saturday November 4th, 2017. Once details get finalized, information will be handed out ASAP. For now- spread the word!

Golf Tournament

The Area 4 golf tournament was the first weekend in August! Teams were ready to go Saturday, and overall did very good! Teams were: Nick Denn & Rick, Nathan Schaefer & Celia Wilson, Ben Clausen & Zach Hartman, and Chad Kutzli & Nick Wilson. Lots of laughs and smiles could be seen on the green while they enjoyed a beautiful day for golf! Results were as follows: Nick & Rick: 4th place. Nathan & Celia: 3rd place. Ben & Zach: 2nd place, and your 1st place finishers: Chad & Nick! Congrats to all teams!

Go Jaguars!

Above, Nick Denn waits as his ball rolls on the green. He was paired with his long friend Rick at the tournament this weekend. Read below to see how they did!

Above, Nathan Schaefer practices his perfect swing!

Athlete of the Month:

Our athlete of the month for August is Mary Delphous! Mary is active in various sports throughout the year, but she is an extreme asset right now during softball season. She can hit some dingers, field, and is an awesome 1st baseman! Keep up the good work Mary!
