WINTER WEATHER ALERTS

Have you taken action and stocked up on a few shelf-stable meals in your kitchen in the unlikely event that our Senior Center would be closed due to bad weather? Also, we thank you in advance for providing a safe way to bring your meal to your door. Your meal delivery driver appreciates it when you make their safety a priority and arrange to keep your driveway and sidewalks clear of snow and ice. If Senior Center activities or meals are canceled due to bad weather, you can expect to receive a phone call from our automated phone system. One Call Now will provide you with instructions in the event of a Level 2 or Level 3 snow emergency. Level 2 means meals, activities and transportation are canceled. Level 3 means all sites are closed.

SENIOR SPOTLIGHT

On November 8, the Wauseon Senior Center kitchen provided a hot breakfast to more than 300 at the annual Veterans Breakfast. Veterans were encouraged to wear a cap or part of their uniform.

HEATING BILL HELP

Winter weather and cold temps are here. Northwestern Ohio Community Action Commission continues to offer help with heating costs.

Winter Crisis Program provides a benefit once per heating season to an income-eligible customer's main and/or electric accounts. The benefit can be used by eligible households that are disconnected (or have a pending disconnection notice), need to establish new service, possible furnace repair up to \$500 or have 25 percent (or less) of bulk fuel supply remaining. Households must be within 175% of the Federal Poverty Guideline. Certain documentation is required. The program runs until March 2020. Please call this appointment hotline number 1-844-493-1193. You will need social security number and utility account information when scheduling an appointment.

HOLIDAY EATING

Consider these timeless healthy eating tips for holiday gatherings from Dr. Ann Kulze.

1. Stay away from foods that rev up your appetite. A.K.A. "The Great White Hazards" – white flour products, white rice, and white potatoes. Holidays are already a dietary pitfall for most. These foods add insult to injury. Choose whole grains and beans as the alternative to the starchy white stuff. Whole grains and beans are super healthy and provide long-lasting appetite suppression. Try:

- Bean salad instead of potato salad
- Brown rice over white rice
- 100% whole grain crackers or breads over the "white" ones
- Just say no to the rolls and biscuits.

2. To satisfy your sweet tooth, try fresh fruit salad, a piece of high quality dark chocolate, or a cup of "real" hot cocoa; delicious and nutritious.

3. Fill up first on foods that have lots of bulk but minimal calories, ie. the "big, yet skinny" fruits and veggies. Physical bulk (stuff) in the GI tract provides great appetite suppression.

4. Have a snack an hour before you arrive at a holiday gathering. My top pick would be a small handful of nuts along with a piece of fruit (apple) or fresh raw veggies (handful of carrots) dipped in hummus.

5. Make water or unsweetened tea your beverage of choice.
