## **HALLOWEEN SAFETY**

keeping your family safe

### **Sheriff Roy Miller**

Parents, trick-or-treating is a great adventure for children. Keep it fun by preparing yourself and your children for a safe night out, beginning with these basic safety tips...

- You, or a responsible adult should always accompany children ages 12 and under when trick-or-treating.
- Ensure costumes fit well, are flame retardant, and never obscure visibility.
- Have your trick-or-treater wear reflective clothing and/or carry a light or glow stick.
- Children over the age of 12 who are responsible enough to go without you, should stay in groups, follow an agreed upon route, and watch for cars.
- Check our website, or that of your local law enforcement agency, for registered offenders residing in the area.
- Teach your children to never enter any home without you or without your permission and only approach homes that are well-lit.
- Remind your children to stay in well-lit areas, never take shortcuts, and never go into isolated areas.
- Let your children know to tell you or a trusted adult if they see anything weird or unusual.
- Teach children to bring treats home before eating them. Eat only factory-wrapped treats unless you know the giver well.
- Teach your children to say **NO** and **GET AWAY** from any person or situation making them feel scared, uncomfortable, or confused; even if it means yelling, kicking, attracting attention or any other means of resisting. **TRUST THEIR FEELINGS**, and be sure to **TELL** a trusted adult.
- Consider safe alternatives such as parties at home, schools, or community organized events.
