**Fish Pick Up:** Thursday, **May 14, 2020** at the north end of the Fulton County Fairgrounds, State Route 108, Wauseon, Ohio. You will be assigned a pick-up time between 2:30 p.m. - 3:30 p.m. Bring a container(s) such as a small trash can or 5-gallon pail each lined with a new trash bag. Fill the containers with no more than half full of your pond water. You will need 5 to 10 gallons of water for each 100 fish. The Amurs are larger and will need more oxygen to be added for the trip home to your pond. Fish are guaranteed to be delivered in good condition; however, we cannot guarantee survival after stocking in your pond. If you do not pick up your order by 4:30 p.m. on the day of the pick up we will consider your order a donation and the fish will be delivered to the nearest pond.
