A WORKSHOP FOR ADULTS

9:00 A.M. - 1:00 P.M. @ THE FULTON COUNTY FAIRGROUNDS

Please rank the sessions from 1-10 with 1 being the session you would like to attend the most. Only use each value once. Sessions will have limited number of attendees, we will use your ranking to form a schedule that best fits your needs.

_____ **Bees: Myers Honey - Roger & Judy Myers**

Everything you want to know about bees, their importance, and so much more!

_____ **Farm Records & Management - Bruce Clevenger, Extension Educator, Defiance County**

Farm record keeping must be more than a tax return. Farm records should be a foundation on where decisions are made. Strong records = Strong farms.

_____ **Water Quality: Justin McBride, P.E. Conservation Engineer, ODA**

Drainage water management is the practice of using a water control structure on a drainage pipe to vary the depth of the drainage outlet. This practice has benefits for both water quality and yield, if properly managed.

_____ **Dairy: Richard Henricks**

Hear first hand the many hats dairy farmers wear, from stewards of the land to animal caregivers and certified milk producers.

_____ **Pondview Veterinary Clinic: Tasha N. Small, DVM**

This session will explain the care provided by veterinarians to a variety of large animals. We will discuss many different agricultural species as well as use veterinary tools to explain some of the procedures we perform on farm animals.

_____ **Johnston Fruit Farms: Martha Mora - Owner**

Apple varieties-historic and current - open discussion on which ones to grow in your backyard, and how.

_____ **Sunny Meade Alpaca: Bill & Julie Verhelst - Owner**
