SCHOOL SAFETY TRAFFIC TIPS

School days bring traffic congestion and it's more important than ever for drivers to pay attention before- and after-school to keep families, staff and students safe.

CROSSWALKS

Be mindful that we are sharing the road with young walkers and staff helping them across the crosswalk or intersection. Always stop for school patrols and crossing guards.

DROP-OFF AND PICK-UP

Schools have procedures to keep traffic safe. Make sure you know them for the safety of all students and staff.

USE SLOW SPEED

Use caution in school zones, be aware of your surroundings. We can all work together to ensure safety of drivers, school buses, walkers and bikers.

SCHOOL BUS SAFETY

Always stop if yellow or red lights are flashing and stop arms are extended. Allow extra time for students to board and exit the bus and proceed to safe sidewalks to enter school zones or return home.

SHARE THE ROAD

Be patient of other vehicles stopped for pedestrians or using caution in school zones; do not pass other vehicles. Be alert, young children may take an unpredictable path as they are learning safety rules.

Safety Tips: Back to School!
