The Fulton County Clerk of Courts has received information that a few citizens in Fulton County have received a phone call where the caller identifies as being from the Fulton County Clerk of Courts. The caller may give their name, then they are asking that a payment be made due to some type of court filing. The caller may say that if payment is not made, that your driver's license will be suspended. The caller then will ask for your credit card information for the payment.

Please know that Clerk Tracy Zuver, nor his staff, will never call an individual and ask for a payment. Clerk Zuver would like to remind people to never give your personal information or credit/debit card information over the phone or online to unknown individuals. Please feel free to call the Fulton County Clerk of Courts Office at 419-337-9230 if you would have questions about a payment. You may also call your local law enforcement agency to report such suspicious activity.

Respectfully
