It is an agreement among **Fulton County Job & Family Services** (hereinafter PCSA) and community partners that delineates roles and responsibilities for referring, reporting, investigating, and prosecuting child abuse and neglect cases within **Fulton** (hereinafter county). The MOU also identifies procedures for collaborative service provisions needed to ensure child safety, permanence, and well-being, and the minimum requirements of screening, assessment/investigation, and service planning, to meet mandates included in children services legislation passed by the 134<sup>th</sup> Ohio General Assembly. Two primary goals of this MOU are:

- The elimination of all unnecessary interviews of children who are the subject of reports of child abuse or neglect.
- When feasible, conducting only one interview of a child who is the subject of a report of child abuse or neglect.

Throughout the state each PCSA provides the following services to their communities:

**Screening:** The capacity to accept and screen referrals of suspected child abuse, neglect, and/or dependency includes but is not limited to the following: Receiving referrals 24 hours/day, 7 days/week; Recording and retaining referral information; Following Ohio's screening guidelines based on Ohio Administrative and Revised Code and categorizing the child maltreatment type; Adherence to a protocol for making screening and differential response pathway decisions regarding referrals of suspected child abuse, neglect, and/or dependency within 24 hours from the time of the referral; Documenting case decisions; And assigning a response priority of emergency or non-emergency to any screened in report.

**Assessment and Investigation:** The capacity to investigate and assess accepted reports of suspected child abuse, neglect, and/or dependency, includes responding to emergency reports within one (1) hour and non-emergency reports within twenty-four (24) hours; Conducting an initial Safety Assessment using a standardized CAPM (Comprehensive Assessment Planning Model) tool within the timeline prescribed in the Ohio Administrative Code; Completing a more in-depth CAPM Family Assessment including a clinical and actuarial risk assessment within sixty (60) days; Working collaboratively with other investigative agencies when appropriate; Making traditional response case dispositions within required timeframes; Evaluating the need for protective, prevention, or supportive services and/or court involvement; and documenting all activities and case determinations.

**Service Provision:** The capacity to provide services that ameliorate, eliminate, or reduce future child maltreatment and the conditions which led to abuse, neglect, or dependency includes providing service planning and case management coordination; Identifying and stating the concern and behavior change(s) needed for reunification to occur through the use of the CAPM Family Case Plan; Monitoring the family's case progress, measuring service outcomes, re-assessing safety and risk, and evaluating permanency options by using the CAPM Case Review and Semi-Annual Review tools; And adhering to existing visitation, documentation, and case closure protocols.

## II. ROLES AND RESPONSIBILITIES OF EACH PARTICIPATING AGENCY

### A. CDJFS/PCSA (If a combined agency or stand-alone PCSA)

The PCSA is the lead agency for the investigation of child abuse, neglect, or dependency in the county. The PCSA will coordinate and facilitate meetings, establish standards and protocol for joint assessment/investigation with law enforcement, cross-referrals, confidentiality, and training of signatories as required by statute. Child Protective Services staff and management will also participate in meetings and trainings as deemed appropriate at the discretion of the Director.

### B. LAW ENFORCEMENT

The county peace officer, each Chief of the local political subdivisions, and any other law enforcement officers handling child abuse and neglect cases in the county will have responsibility for: taking referrals/reports alleging child abuse and neglect from any source within their respective jurisdiction; Referring reports to the PCSA as soon as possible or within **five business days** for investigation of the circumstances; Determining whether allegations of abuse or neglect rise to the level of criminal conduct; Cooperating with the PCSA in a joint and thorough investigation when the information contained in the report lends itself to allege a present danger; Assisting the PCSA in hazardous situations where the provision of protective services or the investigation of child abuse or neglect is impeded; Coordinating with the PCSA on interviews with principals of the case when there are serious criminal implications; Notifying the PCSA of any legal action involving an alleged perpetrator of child abuse or neglect; Responding to the PCSA's requests for information regarding the status of the legal action; Providing police record checks for the PCSA as necessary or requested as permitted by law; Consulting with the PCSA prior to removal of a child from their home when possible; Handling and coordinating investigations involving a child fatality or near fatality which may have resulted from abuse or neglect.

### C. JUVENILE COURT

The most senior Juvenile Judge in point of service of the county or their representative, selected by the Judge, if more than one, will be responsible for attending meetings concerning the MOU, entering into agreements with the

other signatories of the MOU regarding the court's responsibility to timely hear and resolve child abuse, neglect, and dependency matters, signing the MOU, and updating the MOU or approving any amendment.

The juvenile court has a duty to exercise jurisdiction over adults and children to hear and decide matters as permitted by the Ohio Revised Code Chapters 2151 and 2152. The prosecuting attorney may inquire into the commission of crimes within the county. The prosecuting attorney will prosecute, on behalf of the state, all complaints, suits, and controversies in which the state is a party, except for those needing to be prosecuted by a special prosecutor or by the attorney general. The County Prosecutor is to determine, based upon the facts, whether criminal culpability exists and if enough evidence exists for a matter to be prosecuted. The prosecutor will be available to law enforcement and the PCSA staff for questions or assistance in the investigation of child abuse and neglect cases and eliminate the need for testimony at the municipal court level by allowing for direct presentation to the Grand Jury, when feasible, to minimize trauma to child victims. The prosecuting attorney agrees to aid the PCSA in protecting the confidential nature of children services records and investigations; As well as the special protection afforded to the identity of the reporting source.

### III. SCOPE OF WORK

The key objective of this MOU is to clearly define the roles and responsibilities of each agency in the provision of child protective services.

#### A. Mandated reporters and penalty for failure to report

Persons identified as mandated reporters per Ohio Revised Code section 2151.421, while acting in official or professional capacity, will immediately report knowledge or reasonable cause to suspect the abuse or neglect of a child in accordance with that section. Reports will be made to the PCSA or a law enforcement officer.

The penalty for the failure of a mandated reporter to report any suspected case of child abuse and/or neglect pursuant to ORC section 2151.421 is a misdemeanor of the fourth degree. The penalty is a misdemeanor of the first degree if the child who is the subject of the required report that the offender fails to make suffers or faces the threat of suffering the physical or mental wound, injury, disability or condition that would be the basis of the required report when the child is under the direct care or supervision of the offender who is then acting in the offender's official or professional capacity or when the child is under the direct care or supervision of another person over whom the offender, while acting in the offender's official or professional capacity, has supervisory control. Failure to report suspected child abuse and/or neglect may also result in civil liability in the form of compensatory or exemplary damages.

#### B. System for receiving reports

Reports of child abuse or neglect will be made to the PCSA or any law enforcement officer with jurisdiction in the county. If the PCSA contracts with an outside source to receive after-hour calls, a copy of the signed agreement will be attached to this MOU which indicates that all reports with identifying and demographic information of the reporter and principals will be forwarded to a designated children services worker within an hour of receipt, confidentiality requirements will be met, and how the public is informed of after-hours reporting opportunities.

**After regular business hours, reports shall be received with the dispatcher at the Fulton County Sheriff's Office (419-335-4010). The dispatcher or a deputy will take the necessary referral information and contact the children services worker (CSW) that is on call during that**

**period. Depending on the specific circumstances of the report, the CSW and Supervisor will determine the next step and act appropriately per OAC §5180:2-36**

When a law enforcement officer receives a report of possible abuse or neglect of a child or the possible threat of abuse or neglect of a child, the law enforcement officer will refer the report to the appropriate PCSA unless an arrest is made at the time of the report that results in the appropriate PCSA being contacted concerning the alleged incident involving the child.

When the PCSA screens in a report of child abuse, the PCSA will notify the appropriate law enforcement agency of the report, unless law enforcement is present and an arrest is made at the time of the report that results in the appropriate law enforcement agency being notified of the child abuse.

When the PCSA screens in a report of child neglect, and the PCSA implements a legally authorized out-of-home placement due to neglect within the first seven days of the assessment/investigation, the PCSA will notify the appropriate law enforcement agency within the first seven days of the assessment/investigation unless an arrest is made at the time of the report that results in the appropriate law enforcement agency being notified of the child neglect.

### **C. Responding to mandated reporters**

When the PCSA receives a referral from a mandated reporter who provides their name and contact information, the PCSA will forward an initial mandated reporter notification to the referent within seven days. The notification will be provided, in accordance with the mandated reporter's preference. Information shared with the mandated reporter will include the information permitted by ORC 2151.421(K):

When the PCSA closes an investigation/assessment reported by a mandated reporter, the PCSA will forward a mandated reporter referral outcome notification to the referent. The notification will be provided in accordance with the mandated reporter's preference. Information shared with the mandated reporter will be that permitted by ORC 2151.421 to

include a notification that the agency has closed the investigation along with a point of contact.

**D. Roles and responsibilities for handling emergency cases of child abuse, neglect, and dependency**

**1. PCSA's Response Procedure**

When the PCSA determines that a report is emergent, the PCSA will attempt a face-to-face contact with the child subject of the report/ alleged child victim within one hour of the receipt of the report.

If the PCSA identifies an active safety threat at any point during the assessment/investigation, the caseworker or supervisor will implement a safety response.

**In the event there is imminent threat to the child's safety, FCJFS will consider the following options:**

- (a) Assist the caretaker in placing the child with a relative or non-relative, via a safety plan;**
- (b) Contact Supervisor for guidance;**
- (c) Obtain an ex parte order from juvenile court;**
- (d) Remove the child with the assistance of law enforcement pursuant to ex parte order, and the next court day file the emergency complaint for the case to be heard before the Juvenile Court; and**
- (e) File an emergency complaint in the Juvenile Court requesting a court order to remove a child**

**If abuse has occurred recently, the child must be taken for a physical examination. If abuse has not occurred recently, but the nature of the abuse is such that, in the social worker's professional judgment an examination is warranted, an exam may be requested.**

**If possible, examinations should be referred to a Pediatric SANE Nurse which specializes in child abuse and neglect examinations and has a specialized team to assist the child. This referral can be made by contacting the House of Ruth Crisis Line at 419-782-1100.**

**If the Pediatric SANE Nurse is not available or the examination warrants immediate attention, all efforts should be made to contact a practitioner who does sex abuse exams. If the child's family doctor does sex abuse exams, this should be the first priority for the Child**

#### **E. Standards and procedures to be used in handling and coordinating investigations of reported cases of child abuse and/or neglect**

Methods to be used in interviewing the child who is the subject of the report and who allegedly was abused and/or neglected, alleged perpetrators, and other family members and witnesses/collaterals will be discussed and agreed upon in advance by the PCSA and the corresponding law enforcement agency.

To the extent possible investigative interviews of children who are the alleged victims of reports of abuse and/or neglect where criminal activity is suspected, including reports of human trafficking, are cooperatively planned by the PCSA and the law enforcement agency of the jurisdiction.

Every effort will be made by the signatories of this MOU to prevent or reduce duplicate interviews of the victims or witnesses. When feasible, to reduce trauma complete only one interview with the alleged child victim/ child subject of the report. The PCSA agrees to be the lead agency in scheduling the time, place, and location of joint interviews as well as notifying all participants.

Before starting the interview, the participants will determine who is to be present in the room, who will be asking the questions, what areas are to be

covered, and who will be the scribe for the interview. Audio and video recordings may be used when necessary.

When law enforcement or the prosecutor's office interviews a participant in a criminal investigation and a representative of the PCSA is not present, the interviews conducted by law enforcement or the prosecutor's office may be used by the PCSA to meet the agency investigative requirements set forth in rule. Law enforcement or the prosecutor's office will forward a written summary of the interview to the PCSA upon request.

The PCSA agrees not to proceed without the advice and consent of the prosecutor's office when a criminal investigation is being conducted concurrently. The PCSA will not jeopardize a criminal investigation but will work with law enforcement to protect the safety of the child victim or witnesses. Law enforcement will be the lead agency in the collection of forensic evidence and will coordinate with the necessary facilities to obtain and store such evidence properly.

**In Non-Emergency Cases, Fulton County Job & Family Services will follow 5180:2-36-03. Caseworkers will attempt a face-to-face contact or complete a telephone contact within twenty-four hours from the time the referral was screened in, with a principal of the report or collateral source who has knowledge of the alleged child victim's current condition, and can provide current information about the child's safety. If these attempts are unsuccessful, the caseworker will, at a minimum, continue making attempts for face-to-face contact at least every five working days until the child is seen.**

The PCSA will follow up with law enforcement to ensure timely assistance and to complete mandated assessment/investigation activities within the sixty-day timeframe.

**F. Standards and procedures addressing the categories of persons who may interview the child who is the subject of the report and who allegedly was abused or neglected**

- The PCSA worker needs to conduct a home visit after regular PCSA business hours, and a law enforcement escort is requested as a standard operating procedure.

- The PCSA is working with a client who has a propensity toward violence, and the assistance of law enforcement is needed to ensure the safety of all involved.
- The PCSA is working with a family that has historically threatened to do harm to PCSA staff.

**In cases referred for a child abuse or neglect assessment /investigation in which there is a concern of drug involvement, the case worker shall contact the MAN Unit (Multi Area Narcotic Unit) for assistance.**

**H. Specialized Investigations or Circumstances**

To the extent possible, investigative interviews of children who are the alleged child victims/child subjects of the report of abuse and neglect where criminal activity is suspected, including reports of human trafficking, physical and sexual abuse, domestic violence, child endangering, or the like, are cooperatively planned by the PCSA and the law enforcement agency of jurisdiction.

The PCSA follows the procedures described in section 5180:2-36-07 of the OAC for responding to these reports.

The withholding of medically indicated treatment is the refusal to provide appropriate nutrition, hydration, medication, or other medically indicated treatment from a disabled infant with a life-threatening condition.

Medically indicated treatment includes the medical care most likely to relieve, or correct, the life-threatening condition. Nutrition, hydration, and medication, as appropriate for the infant's needs, are medically indicated for all disabled infants; in addition to, the completion of appropriate evaluations or consultations necessary to assure that sufficient information has been gathered to make informed medical decisions on behalf of the disabled infant.

In determining whether treatment is medically indicated, reasonable medical judgments made by a prudent physician, or treatment team, knowledgeable about the case and its treatment possibilities are considered. The opinions about the infant's future "quality of life" are not to bear on whether a treatment is judged to be medically indicated. Medically indicated treatment does not include the failure to provide treatment to a disabled infant if the treating physician's medical judgment identifies any of the situations listed in OAC section 5180:2-36-07(A)(3)(a-d).

## **I. Standards and procedures for removing and placing children**

### **1. Emergency**

Emergency removal of a child from home is necessary when the child is at imminent risk of harm and in need of protection from abuse, neglect, or dependency.

An ex parte order may be issued with or without a complaint being filed. Prior to taking the child into custody the judicial fact finder is to make a determination that reasonable efforts were made to notify the child's parents, guardian, or custodian, or there were reasonable grounds to believe doing so would jeopardize the safety of the child, or lead to the removal of the child from the jurisdiction.

Juv. R 6 orders can be issued in-person, by phone, video conference, or otherwise. Reasonable grounds need to exist to believe the child's removal is necessary to prevent immediate or threatened physical or emotional harm.

Findings need to be made that the agency either did or did not make reasonable efforts to prevent the removal of the child from their home with a brief description of services provided and why those did not prevent the removal or allow the child to return home, and if temporary custody is granted to the PCSA an additional finding that it would be contrary to the welfare and best interest of the child to continue in the home. If granted, a shelter care hearing is to be scheduled the next business day (but not later than seventy-two hours) after the emergency order has been issued. If the ex parte motion is denied, the matter is to be set for a shelter care hearing within ten days from the filing date.

### **2. Non-emergency**

Upon receiving a report alleging child abuse, neglect, and/or dependency, the PCSA commences an investigation in accordance with the requirements of section 2151.421 of the ORC. If the final case decision rises to the level of court involvement, the PCSA is to approach the juvenile court and file a complaint alleging the child(ren) to be abused, neglected, or dependent per ORC 2151.27. The matter

will be set for a shelter care/preliminary protective hearing expeditiously by the juvenile court.

Reasonable oral or written notice of the time, place, and purpose of the hearing are to be provided to the parents, guardian, or custodian unless they cannot be found. The same parties are also entitled to notification that a case plan may be prepared, the general requirements, and possible consequences of non-compliance with the case plan.

The parties will be served with the complaint and summons to appear before the juvenile court. Unrepresented parties are advised by the juvenile court of their right to counsel. Counsel is appointed for children when abuse is alleged. A guardian ad litem is appointed to all children subjects of abuse, neglect, or dependency proceedings. A separate guardian ad litem may be appointed to minor parents or parents who appear mentally incompetent.

The judicial fact finder is to determine whether there is probable cause that the child is abused, neglected, or dependent, the child is in need of protection, whether or not there is an appropriate relative or kin willing to assume temporary custody of the child, reasonable efforts were made by the PCSA to prevent the removal or continued removal or to make it possible for the child to return home safely, and for temporary custody orders to the PCSA that it would be contrary to the welfare and best interest of the child to continue in the home. All other temporary orders should be requested and considered at this time.

**V. CONFLICT RESOLUTION**

Not Applicable *(if selected this section is not relevant.)*

When a conflict occurs among county partners, the effect is often broader than the individuals directly involved in the dispute. As disputes are often inevitable, this MOU is to set forth the local process by which disputes will be resolved so as not to disrupt program effectiveness.

As the mandated agency responsible for the provisions of child protective services, the ultimate decision on how to handle abuse, neglect investigations lie with the PCSA. Every effort will be made to take into account other signatories' requests and concerns relating to services.

Criminal investigations and prosecution remain the responsibility of the prosecuting attorney and appropriate law enforcement agencies. The PCSA will assist these agencies, but in no way, interfere or jeopardize a criminal investigation or prosecution.

For cases that come before the court as it relates to decisions and orders, the Juvenile Judge's rulings are final.

Each agency will make a concerted effort to help the other with joint interviews, investigations, evidence collection, information sharing, and fact-finding. Each agency will not hinder or interfere with the express duties of another and will do their best to cooperate and collaborate with the other county partners as allowed per OAC, including sharing information specific to cases which involve Out of Home Care Child Abuse & Neglect.

In the event internal conflict resolution efforts fail and a statutorily required participant refuses to sign or engage in the MOU process, the PCSA is to consult with the County Prosecutor to explore available remedies.

In the event of unauthorized dissemination of information, the party who learns of the breach of confidentiality will notify the Director of the PCSA as soon as possible. The notification will be sent to the Director in writing describing the circumstances surrounding the breach.
