EQUIPMENT RENTAL & SERVICES PROGRAM

CRP Mowing Service - \$20.00/acre, minimum charge \$50.00	
-----------------------------------------------------------	--

*There will be N/C (No Charge) for its use on projects or the part of a project enrolled in a USDA program, (with a minimum ten-year contract) CRP, CREP or Continuous Filter strip, using warm season grasses (WSGs), either Switchgrass, Big Bluestem, Indiangrass, or a combination of any of the listed WSGs. Must show proof of contract. There will however be a delivery charge to those requesting it to be delivered, or a charge if renting the tractor with the Brillion Seeder.

Rental rates are quoted for periods of time/hour/trees with minimum fees charged. Hour meter will determine additional pro-rated charges.

The *Lessor* hereby leases to the named *Lessee* the equipment described with rental payment set out on previous page. *Lessor* may remove the equipment, if in the opinion of the *Lessor*, it is being used beyond its capacity or in any other manner improperly cared for or abused.

The *Lessor*, *Fulton Soil and Water Conservation District*, its employees, representatives, and the manufacturer shall not be held liable for any incidental or consequential damages which may result from the lease of the equipment or the inability of *Lessee* to use said equipment arising from any cause. *Lessee* agrees to hold *Lessor* harmless from any such damages and agrees to indemnify *Lessor* from any damages or liability incurred as a result of *Lessee's* use or possession of said equipment.

Payment shall be made to the *Fulton Soil and Water Conservation District*, address shown above. If the charge is invoiced, it is to be paid within 45 days of invoice date. Any invoice not received within the 45-day billing will be considered delinquent. After 45 days, the *Lessor* will submit a second invoice in the initial amount plus an additional service charge of 3% of the total billing, which will be sent by certified mail to the *Lessee*. *Lessee* will be billed at the above rate for acreage actually planted, rather than acreage listed above as estimated.

The *District* furthermore reserves the right to determine the order of servicing the *Lessor*.

The *Lessee* agrees to use and care for the equipment in a careful and prudent manner, to pay all operating and maintenance expenses, and to make, at his expense, any and all repairs, other than those which *Lessor* agrees to make. Equipment shall be returned in as good of condition as received, reasonable wear and tear defects in materials or workmanship excepted. If, upon its return to *Lessor*, equipment is not in such good condition, *Lessor* may repair it and *Lessee* will pay the cost of any such repair at regular shop rates. *Lessee* has inspected the equipment prior to leasing and accepts it in its present condition.

Lessee assumes all risk and liability for and shall hold *Lessor* and its assigns harmless from all damages for injuries or death to persons and property arising out of the use, possession, or transportation of the equipment. *Lessee* at his own expense will carry public liability insurance with minimum liability limits in the amount of \$100,000 per person and \$300,000 per occurrence for bodily injury, including death, and in the minimum amount of \$50,000 per occurrence for property damage.

I agree to the above rental terms or to having the above checked services performed:
